BIRDING TIPS

- ❍ Low voices and slow movements will enable you to watch birds going about their everyday activity.
- ❍ Viewing birds from designated trails, pathways and boardwalks ensures the survival of the ecosystem in which these birds thrive.
- ❍ Feeding birds and other wildlife is prohibited.
- ❍ The presence of dogs can negatively affect birds and other wildlife. Please keep your dogs leashed at all times.
- ❍ Report new bird sightings to the State Park staff.
